Form 990, Part III, Line 4a - Program Service Accomplishments

With support from our generous donors, Panzi Foundation USA provides support for survivors of sexualized violence and other vulnerable populations, primarily girls and women in the province of South Kivu in the Democratic Republic of the Congo. By providing critical funding to Panzi as a safe and healthy sanctuary, including its innovative after-care facility, Maison Dorcas, Panzi Foundation USA helps women with literacy and job skills training, and supports family and community reintegration services. Panzi Foundation USA also supports the expansion of a proven and innovative music therapy program for survivors, vulnerable community members and staff, which treats participants as artists - not just patients. With a producer and staff psychologist, participants write, compose, and record songs based on their experiences. Panzi Foundation USA also supports the building, playground, and educational materials at Aire de Jeux, Panzi Hospital's center for vulnerable children. In our Congo Coffee Project, in partnership with fair-trade pioneer Equal Exchange, we support survivors through the sale in the USA of fair-trade coffee grown and produced in eastern Congo. Panzi Foundation USA also is working to improve a product line and distribution channels for survivor-made products sold in international markets.
